UNITED STATES PATENT AND TRADEMARK OFFICE  
Att: Mr. Micah-Paul Young  
Unit 1615  
USPTO  
Washington, DC

Dear Mr. Young,

RE: Patent app 20020090385  
Serial 09/972713  
Confirmation 4498-March 21, 2003

This note is in reference to the above Office Action and to several phone communications.

Per your suggestion, I am requesting that you review this patent application and communicate with Mr. Fox and Myself (perhaps by conference call). We have discussed the possibility of you advising us of one or more acceptable claims.

We agreed that your most recent communication (3-21-2003) did not address the specific new, amended claims suggested by Richard Fox and myself in early 2003. Our particles are truly larger than the prior art.

My cell phone is 310.936.6473

Sincerely

*Jerry Whittemore*

CC Mr. Richard Fox
